WORK EXPERIENCE

Frontend Developer Intern | InternPe | Jun 2024 – Aug 2024

- Developed 3 responsive web applications using React.js, HTML5, CSS3, and JavaScript, improving mobile user engagement by 25%
- Collaborated with Agile team members using Git/GitHub for version control and frontend debugging, resolving 15+ UI bugs and reducing code duplication by 40%
- Engineered reusable React components and optimized DOM manipulation, decreasing average page load time by 30%
- Ensured 100% cross-browser compatibility across Chrome, Firefox, and Safari through systematic testing and debugging
- Implemented modern UI/UX principles to create accessible and responsive interfaces with 95+ accessibility scores

PROJECTS

AI Chatbot Application | React.js, Streamlit, Python

- Built and deployed conversational AI chatbot handling 100+ user queries with 95% response accuracy using Streamlit and Python
- Integrated REST APIs for real-time data processing and implemented responsive UI achieving 90+ Google Lighthouse performance score

Personal Portfolio Website | HTML5, CSS3, JavaScript

- Designed and deployed fully responsive portfolio showcasing 5+ technical projects using React.js and CSS Grid/Flexbox
- Implemented modern UI/UX design principles, achieving 40% faster load times and 100% mobile responsiveness
- Utilized Git for version control and Netlify for CI/CD deployment

Responsive Web Design Projects | HTML5, CSS3, JavaScript

- Completed 5 certification projects including Tribute Page, Survey Form, and Product Landing Page with 100% accessibility compliance
- Applied CSS Grid, Flexbox, and Media Queries to ensure seamless cross-device compatibility

TECHNICAL SKILLS

- **Languages:** JavaScript , Python, C, HTML5, CSS3
- **Frameworks/Libraries:** React.js, Bootstrap, Tailwind CSS
- **Tools & Platforms:** Git, GitHub, VS Code, Netlify, Streamlit, REST APIs
- **Web Development:** Responsive Web Design, UI/UX Development, DOM Manipulation, Cross-Browser Compatibility
- **Other:** Version Control, Agile Methodology, Debugging, Problem Solving, Team Collaboration

EDUCATION

Bachelor of Computer Engineering | SGBAU University, Amravati | Expected May 2026
Higher Secondary Certificate (HSC) | S.K.N.G College, Karanja (Lad) | May 2022

CERTIFICATIONS

Responsive Web Design – freeCodeCamp 2022 | JavaScript – Scaler 2025 | React.js – Scaler 2025
